Times of India  
New Delhi  
Dear sir  
I  
Subj. Switch to solon power  
I wanted to bring to your attention the case of the  
rising electricity bills in Delhi. Owing to the severe  
scorching heat most households are using air -  
conditioners through the day and night. Coupled with the  
other daily usages, the monthly bill is hitting the  
roofs.  
I strongly feel that people should switch over to  
Solon energy as an alternative immediately. It is a  
renewable source of energy, environment friendly and a

great way to reduce the bills.

Kindly take this issue up in your daily and encourage people to make this transition. We look forward to getting like wise suggestions and possibilities of solutions to the every day problems of citizens.

Yours sincerely

Raj
