3) The students were talking as Miss Sarkar entered the class room. Then in a loud voice she said 'Good Morning' and glanced quickly around the room. All the children watched her intently to find out what sort of a person she is. "I suppose you want to know my name" she said. But before she could tell the someone in the class yelled out "You are Miss Sarkar."

4) Spiders are one of the most fascinating creatures. Several hundred species are found in India. They are quick to get away when we come too close to them. They often don't sting, nor is their bite severe. In fact some ant stings hurt more than spiders. Many species of Spider inhabit our environment. The females of only two species are dangerous and harm us severely.
