

10 lines on 'the ~~ero~~ country my dream'.

India of my dreams would be a clean and green nation.
Education should be necessary for everyone in the nation.

I want that there must be no discrimination among people in the nation.

There must be fair elections in the nation.

The nation must progress in every field.

I want that no one should sleep hungry in my country.

Women should have equal status as men.

I want that people should have respect for different cultures in the nation.

I want to make India a pollution-free nation.

I want to be a safe place for animals and plants.

Structure of Government:
