

Eskimos

Clothes

Eskimos were clothes made up of skin and fur called parkas of animals.
They wore long boots made up of seal skin.

Food

Eskimos eat raw food. They always hunt and they also do fishing. They use long boats for fishing called kayaks.

~~But~~ In past they use harpoons for hunting but now they use guns.

Industry

In Greenland fish processing is the major industry.

Living

In past Eskimos live in igloos which is made up of snow. In summer they use skin of animals to make ~~huts~~ tents.
