Mention what problem the narrator faced at the market (30-50 words)

The narrators faced many problems at the market. The parking lots were filled with thousands of cars, ~~so~~ but anyway he parked his car.

After he returned from the market he found a dog licking him but he was puzzled because he left his dog in his home. He also found a woman's ~~handbag~~ handbag instead of chewing gum in ~~his~~ the cubbyhole in his car.

So, he ~~was~~ felt miserable that whether it was his car or anyone else's car in which he is sitting.
