# MACAVITY - THE MYSTERY CAT

## HOME ASSIGNMENT

### CHARACTER SKETCH OF MACAVITY / 100 words

Date \_\_\_\_\_  
Page \_\_\_\_\_

Macavity is ginger-coloured, mysterious devil in the form of a cat and he is a master criminal. It is also an example of ~~sub~~ sublime corruption. It can do various impossible works for human beings including the law of gravity proved by Newton. He is so cunning and brilliant that the investigation agencies ~~now~~ cannot find a single footprint of Macavity in their crime files. Where crime is committed Macavity is not visible in the spot. He spends his leisure time planning his upcoming crime-ideas and solving complicated long division sums. Thus, making his plans successful.
