Dear Diary,

2 weeks ago, I visited the hill station <sup>in Gangtok</sup> in Darjeeling.

We travelled there by the train, there I realised how beautiful the nature would be, it was like a heaven on the earth. When I was

travelling by train I felt all the things <sup>were</sup> ~~are~~ passing by the trees, the birds, etc., <sup>the sight</sup> all <sup>was</sup> amazing.

When I reached there, I was not so affected by cold because we were dressed up with jackets & coats.

I felt the clouds were getting in touch with the hills, There were cottages.

The place was so nice to see I was <sup>also</sup> not ready to go back. The patterns of

the green trees. I felt the patterns on the hills might be used for terrace farming. The landscape was pleasant. We were there till the evening and ~~the~~ countryside I took a glimpse on the hills and called all my family members to see that, The sunset which fell on the peaks of hills was pleasing. I felt like the top of the hills were turning orange-yellowish in colour. I enjoyed the nature a lot there. ~~We~~ We stayed at a hotel and came back in the next day but we were not sad because we also saw the sun rising and the rays fell on the hills giving it a yellowish look. We were amused to see ~~the~~ the adorable snowscape. We would like to visit there again.
