HOME ASSIGNMENT

Provide a short description of the Chimney sweeper in 50-80 words.

Chimney sweeper undergoes a traumatic situation. He is a boy who is very young and is used as a labor to clean the chimney. He is in deep pain because he can't express his sadness (cannot cry, angry etc.). He sweeps the chimney quietly and sleeps on the sides of the chimney. Being dirty with black powder from the smokestack, his father sold him to work as a

labourer when his mother died when he was a small child. He is discriminated, not given enough food or money, he never minds as ~~thinks~~ he doesn't believe anyone and ~~to~~ undergoes deep sorrow in his way of life. Thus, continuing a life of misery as he ^{has} no option to get rid of the sufferings in his depressed situation.
