Write a short description on the 'village lad'.

A village lad is a simple boy in a rural area. He is usually thin and now-a-days educated. As he faces a few issues in the unprivileged area but he tries to manage. They He gets ~~few~~ many more challenges compared to urban area's children. Some-times due to poverty, he looks ~~for~~ as he works as a child labour. But, many benefits are there for these village children & now-a-days they ~~like~~ food, education etc to survive and enjoy every moment of their life.
