HOME ASSIGNMENT

① What do you mean by collective identity?

Ans Collective identity refers to the shared definition of a group that derives from its members' common interests, experiences & solidarities.

② How collective identity helps us in maintaining peace in our country?

Ans It is collective identity is important in our country as it leads to individual identity formation which help to awake the Indians to their nation from where nationalistic feelings would arise leading to a peaceful and prosperous nation.

③ 'India is a land of diversity.' Explain?

Ans India is a pluralistic country. It is a country where 'Unity in Diversity' lies. It is a country ~~with~~ with diverse ^{& rich} art, culture, tradition & rituals. But India is also unified. Every Indian is bonded with a feeling brotherhood. ~~&~~ They also enjoys & celebrate various festivals together. This maintain-
ing peace in the country.
