ch-2

### Ideas & Ideals of Indian Constitution

1) India is secular country. what does it mean?

Ans → This means that people of different religions and faiths have the freedom to practice and follow their religion without any fear of discrimination. All religions are treated equally.

Q2) India is a Republic country. what does it mean?

Ans → India is a Republic country because our head of the state president is an elected person not a hereditary. He is elected for 5 years which is a fixed term of office.

Q3) India is a democratic country. what does it mean?

Ans → India is a democratic country because it is governed by elected representatives. Election is conducted at fixed intervals. Through India became a free nation on August 15, 1947 it is declared its self sovereign Democratic and Republic state.
