The three R's

Reduce

Reuse

Recycle

Reduce waste

1. Buy less.

2. Use less.

3. Conserve what you have.

Reuse things

1. Use things more than once.

2. Share things

3. Repair things and use them.

4. Use cloth bags instead of plastic bags.

Recycle things

1. Separate different types of waste

2. Recycle to get new things from the old.

If we keep doing this than we can keep the environment safe and clean.
