

## Ex-10A

- i State whether or not the following elements  
from a set; If not give reason
- ii No because some problems may be easy for one person but may not be easy to some other person. Objects are not well defined.
- iii yes
- iii yes
- iv NO - because it is not mentioned that the boys must be taller than which boy. If we consider three boys A, B, C; boy A can be taller than B but not necessarily than taller than C.
- v yes
- vi No, it may be difficult for one student to draw a given triangle but to some other student it not may difficult to draw the same triangle.

vii yes

viii No - a fruit maybe tasty for one person

and may not be tasty to other person/persons

ix - No - cleant in what respect?

→ No - all the people can't find the same  
Schools as goods schools. So the object  
are not well defined.

x yes.

xii yes

xiii yes
