The difference between monarchy and democracy are:

Democracy	Monarchy
1-) Democracy means that all the people of the country will choose or elect leaders who would form the government.	1-) In monarchy the state is ruled by a king or a queen.
2-) If the people are not happy with their elected leaders, they can be removed from their posts.	2-) The monarchy is hereditary, that is, when the monarch dies, his or her child becomes the new rulers.
