Dear Rohit,

Hope you are fine with uncle and aunty. As you know from 17 October our autumn vacation is starting. So, I want to tell you what activities I have planned to execute during ~~summer~~ autumn vacation.

As you know, the covid pandemic is very serious now. So I have planned to enjoy with my family. First I would try to complete all holiday homework so that I can enjoy. I have also planned to watch some hollywood movies. I have also planned to learn painting from my sister.

Due to this covid, we cannot enjoy the vacation together. But next year, we will enjoy together.

Yours lovingly
Ajay

When William tried to get out of the van, there came some sound of ripping some materials and smashing of glass. Then William tested the wetness of the paint of the front gate of their new house.

Then William tried to take the medicine cupboard leaving a trail of broken bottles and little pools of medicine inside. It was found that door of a small bedroom was locked. So William climbed by the roof and tried to get into a chimney so that he can open the door from inside. But he found all the chimneys were too small and he got stuck on the roof.
