Dear Sakhi,

I am happy to receive your wonderful presents. I decided to write you as soon I got the gifts in order to express my excitement and to thank you.

I remember telling you about the shortage of notebooks and pens in nearby store last time. I am glad that you have send me other notebooks and other stationaries. While opening the second I was too curious what it might be and it could not have been better than a smartwatch. Now I can keep a track on my fitness and my oxygen level. You never fail to impress me with your thoughtful presents. Thanks a lot for your care and concern.

I hope you are taking good care of yourself. We will meet as soon as the situations get back to normal.

Your loving brother
Rohit
