

HW-7-10-2021

Swarit Nath GB

1. Write a detailed note on ~~agriculture~~ town planning during Indus cities.

Ans = • The most striking feature of the Indus cities was town planning. Cities of this civilisation shows that the people had a good knowledge on town planning.

• The cities were divided into two parts. One part was at a higher level.

massive platform constructed of baked bricks. Archaeologists call this area citadel or acropolis. This was surrounded by huge walls.

- The town planners of those time had made straight roads crossing each other at right angles and thus dividing the city into blocks.

Q2. Write a summary ~~in~~ cities on the religious beliefs of Neolithic people.

Ans. - The earth provided for them. So, Neolithic man worshipped the God earth as many statues and figurines of mother goddess have been found. They must be frightened by the nature and its mysteries. Probably nature was worshipped in different forms. So they began to worship these forces of nature like sky, rain, wind and sun as god.
