My Mother

My life is my mother. I have a very strong ~~admiration~~ and respect for my mother. My mother is the first teacher of my life. She takes every care for me and sacrifices a lot for me. She is very dedicated to her work and her hardworking nature always encourages me a lot. My mother gets up at dawn and her daily routine starts before we get up from our bed. My mother gets up at ~~4~~ can be called the manager of our family. She manages each and everything in our family. My mother cooks delicious foods for us, takes care of us, and goes

Shopping, prays for us and does lots more for our family. My mother also me and my brother. She helps us in doing our homework. My mother is the backbone of my family.
