Ch-6 Night of the Scorpion

Date _____
Page _____

Q What the other people telling about the scorpion? (Within 50 words)

Ans The other people telling that, as with other stinging insects such as Bees and wasps, it is possible for us who have previously ~~be~~ been stung by scorpions who have allergic reactions with ~~subseq~~ ~~for~~ subsequent things. Reactions to these stings are some times severe enough to cause a life threatening condition. Scorpions are amazing animals.
