Narrate what happened when
William was inside
the van
William the Helper

Date _____

Page _____

The Brown family has hired three men to ~~move~~ move furniture from their old house to the new one. To everyone's alarm, William - their naughty son - has promised to help with the work. After several smaller ornaments are ~~packed~~ packed, the men start moving the heavy ~~furniture~~ furniture. The removers now proceeded to the drawing room and prepared to take out the piano.
