with a strap. In this manner, eel
could pedal one side of the bicycle.

Qo Identify four pairs of words from the poem
that make minimal pairs.
Ans. eel - wheel, right - left, fun - done,
hide - side.

Q1o What do you understand by the line 'That two heads
are better than one'?

Ans. That two heads are better than one
means that when two people work
together to solve a problem, they are
most likely to find a solution, than
when one person works alone.

They were all set to live their dreams

and ride the bicycle as they longed

in the beginning of the poem

Get going

Q10 What did the eel want to do? Why couldn't he do it?

Ans. The eel was determined to ride on a wheel, but he could not do it

because when he sat on the saddle to ride his tail could only pedal one side.
