Write a paragraph on favourite pet

My ~~pet~~ pet name is Rubby. Rubby is so cute. Rubby likes rice, biscuits and other food items. He loves me and ~~is~~ he is very obedient. ~~Back~~ Rubby guards our house at night. When I come back from school, my pet dog begins to jump in joy. I love my pet very much. My parents also love him very much. Very often I play with Rubby.

It is said that 'a friend in need is a friend indeed'; my pet dog Rubby fulfills all the characteristics of a good friend. In today's world, it is really a tough task to find a true friend. Human beings have become fond of material possessions. They have become selfish. But my pet dog is not selfish.
