A clever cap seller

once there was a cap seller. He was trying selling caps. At ten, he made few sales of caps, he became very tired. He decided to sit under a big tree to take rest for a while. Soon, he slept. There were many monkeys on the big tree. They saw the cap seller was sleeping, under the tree. The monkeys came down, took the all caps from his bag and wore them. Then they climbed the tree again. When the cap seller woke up. He saw the monkeys were wearing the caps. He found that monkeys were imitating him. So, he started throwing his caps down and the monkeys also did so. The cap seller collected all the caps and went away happily. Moral- wisdom is better than weapons of war.
