Dear Niharick,

How are you? Hope you are fine. I'm glad to inform you that recently I visited S.G. Thapar Art Gallery in Amritsar. I saw unique and colourful painting, the detailer were fabulous! These arts were naive and creative. There were sculpture, paintings and a beautiful light decoration. The painting which attracted me the most was the golden temple, because ^{it was} a very eye-catching and shiny.

You must once visit there.

Thanks

Vibha
