

PARAGRAPH

My favourite pet is a cat. I have a cat who's name is Tammy. It is a Persian cat and its white colour. She looks very cute when she is wet and obeys all my orders. She likes to eat crispy things such as chips. It likes to play with me and it ~~me~~ does its best to make me happy. It also has a favourite toy which is a toy car. It likes the car so much. It is happy when I am happy and it is sad when I am sad. My family treats Tammy like their own daughter and Tammy also loves everyone with its full heart. I love my pet so much.
