(A) Answer these questions

Q1) How was the station a lonely place?

Ans → The station was a lonely place as it was deserted; no people were there and the station was surrounded by a barbed-wire fence.

Q2) How did Shankar get a partial answer to his question about the barbed-wire fence around the station? What was the next part of the answer?

Ans → The answer to this question, at first had a partial answer when he faced the lion. The next part of the answer included the deadliest snake, Black Mamba, which was fought by Shankar, mindfully.
