Exercises

Q5. Identify the social and economic groups which are most vulnerable to poverty in India.

Ans) The social groups which are most vulnerable to poverty in India are scheduled caste and scheduled tribe households.

The economic groups which are most vulnerable to poverty in India are the rural agricultural labourer households and the urban casual labourer households.

Q9. Answer the following questions briefly.

i) What do you understand by human poverty?

Ans) Human poverty is a concept that goes beyond the limited view of poverty due to lack of income. It

refers to the denial of political, social and economic opportunities to an individual to maintain a reasonable standard of living illiteracy, lack of job opportunities, lack of access to proper health-care and sanitation, caste and gender discrimination, etc. are all components of human poverty.
