Dear Diary,

Today, I was totally ready and ^{fully} prepared for my English test of school. I was very much glad that I have remembered all the points and questions and answers. Then, I went to school happily. There I ~~saw~~ saw that I was having SST test not English. Then I felt very upset and got muddled. I faced many difficulties in appearing the test as I had not ^{fully} prepared. Only while our mam taught the chapter, I have remembered those points while mam teaching and appeared the test. Therefore, I secured less marks but after test I didn't get disappointed because life gives us many chances and there are many exams which I will be appearing. So diary, today's day was surprising and glorious.
