DESCRIPTION

4. Describe the playground of your school.

The playground of our school is located at the back of school building. It is a very necessary part of every school. ~~As~~ As it develops the physical and mental health of students. It is quite big area to play. Our school playground is round in shape and it is properly fenced.

~~The~~ Our playground has an ideal location. It is nearly one square mile. Our playground is divided into different sections and each devoted to a particular game. It has a tennis court and ~~has~~ basketball court. The students can play cricket in the space allotted for it. We do long jump and high jump and run till we get tired. We also play football. Our physical training teacher says to it that we play all games.

There is an indoor stadium in which some of the students play chess and ~~some~~ ~~room~~.

The school playground has viewing galleries all around. A lot of trees are planted near the fence. There is also indoor galleries for indoor games. One part of the ground is covered with well laid out ~~with~~ lawns. It looks beautiful when we look from farther. There is also a swimming pool inside the playground. The students enjoy playing different games till sunset. Sometimes the inter-school and the intercollegiate games are played in our playground. Our school gives special importance to games and so it insists that all students should take part in all games.

5. Describe a mobile phone you have recently purchased.

My New Mobile Phone!

Last evening I was elated beyond limits as I was gifted a mobile phone by my father in a response to my long standing request. I had asked him many times to buy me either a laptop or a mobile phone. It is very beautiful and sleek. The Samsung Galaxy J7 Prime has a 13-megapixel primary camera on the back and is powered by Octa Core, 1.6 GHz Exynos 7 and it comes with 3GB of RAM. The phone has 32GB of internal storage that can be expanded up to 256GB via a ~~micro SD~~ ~~micro SD~~ micro SD card.

As far as the cameras are concerned, the Samsung Galaxy J7 Prime has a 13-megapixel primary camera on the rear and a 8-megapixel front shooter

front camera for selfies. It is a dual sim device with a 3.5-inch TFT Full HD (1,080 x 1,920 pixels) display. It runs Android v 6.0.1 and is powered by a 3300mAh non-removable battery. Connectivity options include Wi-Fi, GPS, Bluetooth. Sensors on the phone include Ambient light sensor, Accelerometer, and Gyroscope. It is a marvel of technology by Samsung.

Now I can access internet at fast speed and download movies, songs, videos, my lesson and all the information that I require, I feel so empowered with this device.

6. Describe a piece of furniture recently purchased by you.

I have recently moved from Pune to Bhubaneswar. I live in a apartment that has various types of furniture but there is not a sofa set in the living room. So, my living room is looking very empty.

The furniture piece, that I have bought is a seven-seater sofa set. I bought it from one of the local furniture shops. The sofa that I have bought is made of up teak wood. It is beautifully engraved. It is the centre of attraction of my living room. This one is the relaxing space for me. I watch movie, cartoons, animal planet in my leisure time. ~~This~~ This sofa has sky-colour velvet cloth covered cushion. They look very attractive. Its actual price was ₹70,000. As sale is going on I get discount on it. So, I was very happy to get this sofa in this

~~reasonab~~ reasonable price.

I considered this piece of furniture very useful for me. That's why I like it so much. It is a piece of beautiful furniture that matches the design and colour of other furniture in the room as well. As I get this furniture, I am feeling so relaxed. My friends also like this sofa. So, it is very useful for me.
