My dear Navaya,

I hope this letter finds you in ^a pink of your health. I received your gift of ~~the~~ wrist watch on my birthday 7 days ago. It is a very beautiful watch. It is also my favourite black colour watch. This is the best gift I ever got. Everyone in my school liked this watch.

You know that how much I need it this watch. I'm sure that you must convince Papa and Mama to buy this for me. I have broken my last watch during the football match two months ago. So, I needed this badly. Without it I was feeling incomplete. I am very happy to have this watch on my birthday. Really you are my best friend. I can feel that sisterhood is ~~truly~~ truly a special bond.

I missed Papa, Mama and you very much on that day. After my classes will over when I will go ~~home~~ to home, we again celebrate my birthday. I am anxiously waiting for that ~~moment~~ ^{moment}. Your loving gift made me feel that you were with me. Thanks a lot for this precious gift.

Yours ~~so~~ affectionately
Adi
