AISSCE REGISTRATION 2023-2024

CLASS- XI

Dear Parents,

Greetings from ODM Public School!

We hope you all are doing well. We have received the notice for CBSE Registration for Class XI students, so we request you to fill the below-mentioned link on or before **8th September 2023 (Friday)** without any delay. CBSE registration aims to officially enrol the child with the CBSE Board to appear in the board examinations. So, kindly go through the note thoroughly before filling up the link.

- **Subject clarification.**
 - **English** is a first and common subject for all students.
 - Rest four subjects you had already chosen at the time of admission.
 1. For Science students, the subjects were Physics, Chemistry, Biology, Mathematics, Computer Science & Physical Education.
 2. For Commerce students, the subjects are Accountancy, Business Studies, Economics and Entrepreneurship.
 - The 6th optional subject is compulsory for all students of Class XI. The subject is **Painting**.

Why is the 6th optional subject compulsory?

6th Optional subject is a value addition subject given to all the students to help them score better.

So by chance, if a child performs badly in Physics and scores 85 on Class XII boards, this score won't be considered in percentage calculation, and the score in painting which is 95 will be considered—hence giving the child a chance to score 2% more without much effort. The percentage in the best five subjects is consolidated while calculating the result unless it is specified by some organisations as per their need.

So the 6th option has been given to the students for their well-being, ensuring that the least additional pressure is put on them. Students have been passing out with a good score for years together, keeping 6th optional.

NOTE: Classes for 6th Optional will be arranged at the time of need most probably towards the end of Class XII and the school will take care of that subject. Students need to focus on their core subjects now.

- Scan & upload the latest **passport-size photo** of the student in **school uniform** with the computerised name of the student and current date (**any date on or before September 8th, 2023**). Make sure the **photo background should be in white**. Kindly click on the link for your reference; <https://tinyurl.com/yk4n7bsh>.
- All uploads should be in good clarity in **PDF format**.
- Fill the data in **capital letters** only.
- The spelling of the student, father, and mother names should tally with the name in Xth Board Marksheet/ Board Certificate.
- **The DOB of the student should tally with the Xth Board Marksheet or Board certificate**
- Before filling in any data, kindly read the **description** thoroughly.
- **Carefully fill in all data as any further claims to change or rectify will not be entertained.**

Note that the CBSE registration link must be mandatorily filled by each Class XI student.
