Sub: Permission to attend the mid term exam 2024 for son Piansh M. Majhi

Dear Sir,

This is to bring before you that mid term exam is going to start from 24<sup>th</sup> Sep 2024 and I am unable to collect the admit card due to the pending of 2<sup>nd</sup> quarter fee for my son, Piansh M. Majhi (std-V, D/B). And I am not in situation to clear the 2<sup>nd</sup> quarter fee due to some unavoidable current situation before midterm exam. Now looking at his preparation for said exam I am having no answer his question and do not want to see him debarred from mid term exam.

Therefore I request you, kindly give me 20 more days to clear all his fees pending. Here I am placing my words and requesting you to help me to keep his moral at its place.

Thanking you

Regards

Padma Charan Majhi  
(Father to Piansh. M. Majhi)
